EVERY HOME DESERVES A WARM HEART

LE FEU - EYE

LET THE FLAMES MEET YOUR EYE

We are very proud to present the Le Feu Eye - The new bioethanol fireplace from Le Feu Fires.

Le Feu Eye is designed to be displayed in your home. Enjoy the design from every angle, as the flames gives your room a cozy and a dynamic atmosphere. Every curve, every detail is made to perfection. Just as a piece of furniture, the Eye draws attention from everyone who enters the room.

With 37 different design options, you can personalize the fireplace to your home. Explore all the options and be inspired. The timeless round shape comes in 3 colors, and you can customize the front plate and legs in different colors.

We are really excited to see how The Le Feu Eye will contribute to the creative decor of beautiful, ever-changing homes in the future.
